Forecast For East of England
Issued by Met Office Exeter
at 0400 on Thursday 18 Feb 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Windy with rain at times.

Today:
Windy with a few showers during the morning, before a spell of heavy rain arrives late morning crossing all areas, clearing through the afternoon. Sunny spells will then follow with scattered heavy showers and lighter winds. Maximum temperature 10 deg C (50 deg F).

Tonight:
Scattered showers soon fading to leave a dry evening and night with clear spells and light winds. Turning chilly for many perhaps with a touch of rural grass frost. Minimum temperature 2 deg C (36 deg F).

Friday:
Dry and bright through Friday but turning windy and cloudy with a few spot of drizzle in the west. Eastern areas will remain dry and it will be rather mild. Maximum temperature 11 deg C (52 deg F).

Outlook for Saturday to Monday:
A very mild weekend, but windy on Saturday with rain possible at times, perhaps with some sunshine too. Less windy on Sunday with hazy sunshine. Cloudy and damp on Monday.
